

Assembly Instructions For The Oak End Table

Tools Needed For Assembly:

Screwgun
Phillips Head Bit

Parts List:

Table Top (1)
Shelf (1)
Leg With Braces (4)

Hardware:

2" Wood Screws (8)
1-1/2" Wood Screws (4)

- Step 1** Lay out and identify all the parts and pieces.
- Step 2** Attach the tops of the legs to the table top. (The end of the legs with the braces attached is the top). Align the predrilled holes in the legs with the predrilled holes in the ends of the table top & attach with four 2" screws. Now attach the braces to the top with four 1-1/2" screws in the predrilled holes. **Do not overtighten any screws.**
- Step 3** Find the predrilled holes close to the bottom of the legs and align with the predrilled holes on the end of the shelf. Fasten to the shelf with four 2" wood screws.
